

## Order Form

Please return this form with your washed clothing and payment (50% now, 50% prior to shipment of finished quilt.)

I will use as much of each piece of clothing as possible. If I don't use a piece, I will return it with the quilt. I do not return remnants/ pieces of outfits. Additional fabrics may be added if necessary. *YES - you can send extra pieces, up to double the amount listed as the minimum! I love extras & will use as many pieces as I can fit, but it is always helpful to set aside your MOST important 10-20 items in a separate bag so I can make sure those "make the cut!"*
